MILESTONE

2025

We focused on small renovations, sewage services maintenance works and small constructions with a dedicated team for executing works at site. Our main intention was to focus on the quality works rather than quantity.

2026

Restructuring the company to group, we started focusing on turnkey fit out jobs with a dedicated division with a fabrication and carpentry factory for it, with more services such as facilities management, fitout works, trading, cleaning, tank repairing etc rather than the existing.

2027

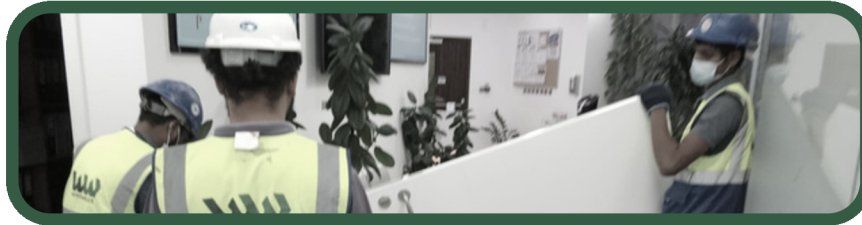

We are planning to provide all services as per the requirements of clients for maintaining and constructing buildings which includes innovative ideas for both soft and hard services without compromising in the quality and building trustable relationship with the clients.
